PATENT ATTORNEY

Sir:

The Supplemental Application Data Sheet, filed herewith, is being provided to correct an inconsistency in the claim to priority to prior provisional application 60/400,368. Applicant's utility application and signed declaration correctly listed the priority information. However, the Application Data Sheet that accompanied the application when filed on July 31, 2003, did not list the correct United States priority information. It is believed that this Supplemental Application Data Sheet is all that is required to correct this inconsistency.

Any questions regarding this paper may be directed to the undersigned attorney at 612-330-0489.

Respectfully submitted,

WESTMAN, CHAMPLIN & KELLY, P.A.
